Do both Part A and Part B. Do not consult with each other or anyone else. By all means, make use of the materials on the class pages (<http://www.davidstratas.com/writing/writing2.htm>) and the lectures.

**PART A (50%):**

Who is the greatest judge of all time? Any? The jurist can be living or dead, active or retired, and Canadian or other nationality. Following the lessons of the course, draft a persuasive 200-300 word argument. You will be graded on your writing ability, not the person you choose.

**PART B (50%):**

You are writing a factum in the Ontario Court of Appeal for the respondent Crown in the *Cornell* case. Rely on only the summary we used in class ([here](#)). Draft an introduction for the factum.
